Did You Receive Pre-approval for the Education Expense Credit?

This credit requires pre-approval by Georgia.

To get the credit, you’ll need to have already received form QEE-TP1 from the Department of Revenue, and form QEE-SSO1 from the student scholarship organization.

Note: The Georgia Department of Revenue requires electronic filing for income tax in which series 100 tax credits are generated, allocated, claimed, utilized, or included in any manner.
On the “Additional Info for the Education Expense Credit” screen, select all appropriate boxes and fill in both fields, referencing the email that GOAL sent you containing your Form IT-QEE-SSO1 (“SSO1 Form”). This example uses $2,500 as the GOAL contribution amount. Then select ‘Continue.’
